

Carson Adamson

PORTFOLIO

Oklahoma City, OK | 405-431-6004 | carsonadamson15@gmail.com | [LinkedIn](#) | [GitHub](#)

Computer Engineering student graduating May 2027 with hands-on experience in embedded systems, circuit design, robotics, and full-stack development. Seeking an internship or full-time role in computer, electrical, or software engineering.

EDUCATION

University of Oklahoma — Norman, OK	Expected May 2027
Bachelor of Science in Computer Engineering	GPA: 3.2
Rose State College — Midwest City, OK	2024
Associate of Science in General Science	

TECHNICAL SKILLS

Languages: C, C++, Java, Python, MATLAB, JavaScript, TypeScript, Rust
Hardware: mbed NXP LPC1768, Arduino, microcontrollers, sensors, analog and digital circuits
Software: Git/GitHub, Multisim, Linux, VS Code, Eclipse, Vercel
Web: React, Next.js, Node.js, HTML/CSS, API integration, Hugo

ENGINEERING PROJECTS

Embedded Systems Projects — University of Oklahoma	2025–2026
- Built a digital thermometer using an MCP9701 sensor, analog input, sample averaging, and a seven-segment display. - Programmed a reaction-time game in C++ using mbed OS interrupts, timers, pushbuttons, and LEDs.	
Autonomous Robotics Systems — Eastern Oklahoma County Technology Center	2021–2023
- Developed a C++ line-following robot using optical sensors and closed-loop motor-control logic. - Engineered a model elevator integrating limit switches, input controls, and precise floor-positioning logic.	
Buzzed — Mobile Drink Ordering Web App	2026
- Built and deployed a responsive ordering application with Next.js and React, including customizable drinks and cart state. - Designed a QR-based ordering flow for quick use in high-traffic event environments.	

EXPERIENCE

Casino Party Dealer — Jackpot Casino Parties	2023–Present
- Manage blackjack, craps, and roulette operations while communicating rules and maintaining an engaging guest experience. - Make quick decisions and adapt to changing needs during high-volume private and corporate events.	
Guest Services Associate — Oklahoma City Dodgers	2023
Managed ticket verification, guest questions, and crowd flow while maintaining venue safety and service standards.	

LEADERSHIP

Recruitment Chair — Sigma Chi Fraternity	2025–Present
- Led candidate outreach, recruitment events, pipeline tracking, and coordination with chapter leaders and alumni. - Used engagement data to prioritize follow-up and improve recruitment strategy.	
Co-Founder — Quantum Society, University of Oklahoma	2025–Present
Co-founded a student organization focused on quantum-computing education, networking, and career opportunities.
